10.00 - 11.00 **Breakfast and visit the industry exhibition**

Session I

11.00 - 11.15 **Welcome** and introduction of Keynote speakers, Miriam Kolko, President

11.15 - 12.00 **Keynote lecture I: "A simplified OCT method for identifying and understanding glaucomatous damage: Part I with Q&A"** Don Hood with help from Karl Mercieca and Manos Tsamis

12.00 - 12.45 **Keynote lecture II: "A simplified OCT method for identifying and understanding glaucomatous damage: Part II with Q&A"** Don Hood with help from Karl Mercieca and Manos Tsamis

12:45 - 13.00 **Panel discussion with questions and answers**

13.00 - 14.00 **Lunch and visit the industry exhibition**

Session II

14.00 - 14.20 **"The FOREVER study"**

Miriam Kolko, Dep. of Ophthalmology, Copenhagen University Hospital

14.20 - 14.30 **"Prophylactic iridotomy in a Danish population"**

Niklas Telinius, Dep. of Ophthalmology, Aarhus University Hospital

14.30 - 14.40 **"Stenting PreserFlo for hypotony reduction, preliminary results from a single center"**

Lene Poder Olsen, Aalborg University Hospital

14.40 - 14.50 **"What matters? - The influence of adverse effects on patient preferences for IOP-lowering eye drops"**

Alexander von Spreckelsen, Dep. of Drug Design and Pharmacology, University of Copenhagen

14.50 - 15.30 **Coffee and cake and visit the industry exhibition**

Session III

15.30 - 16.20 **Keynote lecture III: "Clinical Applications: Integrating visual field and other information into clinical decisions"** Manos Tsamis (visual fields) and Karl Mercieca (clinical decisions) with Don Hood as moderator

16.20 - 16.30 **Closing remarks** Miriam Kolko

16.30 - 17.00 **Generalforsamling / General Assembly (in Danish)***

Keynote speakers

Professor Donald Hood, James F. Bender Professor Emeritus of Psychology and Professor Emeritus of Ophthalmic Sciences (Ophthalmology). Professor Hood is a former editor-in-chief of Investigative Ophthalmology & Visual Science. Member of The Society of Experimental Psychologists, Honorary Sc.D., Smith College, Fellow, American Academy of Arts and Sciences, Doctor of Humane Letters, Brown University, Honorary Sc.D., SUNY College of Optometry,

Dr Karl Mercieca MD PGCMed MRCOphth FRCOphth FEBOS-GL, Consultant, Head of Glaucoma. University of Bonn | Dept. of Ophthalmology, Venusberg-Campus 1 | D-53127 Bonn | Germany, Honorary Senior Lecturer (PD), Dept. of Visual Sciences and Optometry, University of Manchester | United Kingdom. He has received several research prizes including best poster prize at the American Academy of Ophthalmology Congress and the Peter Watson medal for joint highest score in the FEBOS-GL glaucoma sub-specialty exam.

Manos Tsamis, Postdoctoral Research Scientist in the Department of Psychology, Columbia University. Manos is a Postdoctoral Research Scientist at the Hood Visual Science Lab of Columbia University. His research focuses on the development and improvement of techniques to better detect and monitor glaucoma. His primary research interest lies on the technologies of optical coherence tomography (OCT) and perimetry (visual fields).

* Program for generalforsamling 16.30 – 17.00

- Valg af dirigent og referent: Bestyrelsen foreslår Jesper Skov som dirigent og Simon von Spreckelsen som referent
- Nyt fra formanden, Miriam Kolko
- Forelæggelse af regnskab ved kasserer Niklas Telinius
- Forslag fra medlemmer
- Eventuelt

Tilmelding senest 8. marts 2024

Deltagelse er gratis for medlemmer af DGS

Af hensyn til frokost og forplejning er tilmelding et krav. Tilmelding er gratis for medlemmer af DGS. 2500 DKK for ikke-medlemmer. Tilmelding foregår efter først-til-mølle-princip pga. begrænset antal pladser.

Tilmelding og oprettelse af medlemskab foregår på DGS hjemmeside: www.glaucoma.dk

Ved problemer med at registrere på hjemmesiden kontakt venligst Webmaster, Jan Simonsen på mail jan.doc.simonsen@gmail.com. Øvrige spørgsmål til videnskabelig sekretær Simon von Spreckelsen: post@profylax.dk eller SMS til +45 5135 9235. Du kan ikke tilmelde dig via SMS.

DGS forbeholder sig ret til at ændre/aflyse programmet uden varsel og uden ansvar. Der er ikke muligt at deltage via online streaming.

DGS's årsmøde er godkendt til en dags refusion fra "Fonden" for fuldtidspraktiserende øjenlæger

Parkering er gratis og kan foregå på Hotel Marienlyst.
